A diagram illustrating file dependencies. At the top, a gray rectangular box with a black border contains the file path: `/mnt/d/proyectos/learnCpp`, `-dataVisualizatorApp/src`, and `/dataReader/file/file.hpp`. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box with a gray border containing the text `string`. The right arrow points to another white rectangular box with a gray border containing the text `fstream`.
